President's Message

Here we are in March already, with only 20 days until spring—at least, that's what my calendar says. Mind you, the weather has been very nice lately, and I hope it continues, at least until our General Meeting on March 8th.

I would like to thank Carolyn and Dave McConkey for attending the Salvation Army luncheon on February 8th. They will update us on what transpired at that meeting this Saturday. Also, a thank-you to Carolyn for attending the SCOSA meeting on February 26th; she will likewise share what happened at that meeting.

It's not too early to remind everyone that our games are only a month away, on Friday, April 4th. We need everyone's help to invite friends, family members, and neighbours to make this event a success—and even more fun! Our dinner menu seems to be a hit with everyone: beef on a bun, salads, baked beans, and best of all, the desserts that John and Carol put together.

In closing, I would like to thank everyone who attended the last General Meeting, and I hope to see you all on March 8th.

Council 1024
President Gerry Folwark
