March/April 2026

Message from the President:

As you all know, March can be a crazy month weather-wise, so my mother told me as she was born in March. It can start off warm then cold or vice versa - totally unpredictable. She was always right. Hopefully April will be a huge improvement. At least we all managed to get through January and February which were very challenging.

Our next luncheon will be Friday, March 13th. Our Guest Speaker will be Francis Schwartz from Foothills Country Hospice. She is new to this organization. And then on Friday, April 10th, our Guest Speaker will be Jess Faulds from Easter Seals Camp Horizon. Jess happens to be their "New" Senior Development Officer. March and April should be very interesting.?

Of course March 17th is St. Patrick's Day for all of you who wish to be Irish! And on April 5th Easter Sunday is a day that we must not forget.

Fraternally, Bud Gallo

The Salvation Army Community Services (Calgary)

The Associated Canadian Travelers Club of Calgary have been longtime donors to The Salvation Army Community Services (Calgary). It is always fun to meet with them and share what we are doing to support Calgarians. This year they gave \$3,400 to our Infant Essentials program that helps families manage the financial challenges of having a new baby. A big thank you to this club and their faithful generosity!
