

Calgary Club 1014

September/October 2023

Message from the President:

Welcome back to another year of fellowship and get togethers. It will be a real pleasure to see all of you again. We will still be at Forest Lawn #275 Legion. If you are able to bring along a friend or family member, you will be most welcome to do so. Just let Dennis or myself know when we call you. This past summer has been very tragic around the world and here in Canada - fires with plenty of smoke, floods, horrible hot weather, with no end in sight. There has to be a reason for all of this with no real answers. WHY??? We will have to make the best of it all and hope that we continue to maintain our health.

Fraternally, Bud Gallo

We To all our shut-ins we don't know about, we wish you a speedy recovery. Please give Don Lewis a call at 403-273-9651 if you know of any members.

CASINO. We have been advised that our next casino will be on the 25th & 26th of March, 2024. So we will try to get ahead of ourselves and start asking our family and friends if they are interested in helping us out. We hope Gord will still be our casino chairman, but we will have to give him loads of help. We have been assigned the new casino by the airport!

SCHOLARSHIPS

Peter Walter, as chairman, is looking after this again. Thank you Peter.

All applications had to be in by the end of August in order to qualify. Cheques will be mailed out soon thereafter.

> Good luck to everyone.

The Lighter Side.....

- ***Facial recognition software can pick a person out of a crowd, but the vending machine at work can't recognize a dollar bill with a bent corner!***
- ***I never make the same mistake twice. I do it like, five or six times, you know, to make sure.***
- ***My train of thought derailed. There were no survivors!***
- ***Every box of raisins is a tragic tale of grapes that could have been wine!***
