COMMUNITY SERVICE

St Albert Sturgeon Hospice Association (SASHA) – Light Up the Night: Concert for Compassion

Suggestion to support this event was brought forward by our newest member Cheryl who will be the harpist in this performance. This fundraising concert takes place on March 12 at the Arden Theatre and is more than a performance; it is a shared moment of reflection, compassion, and gratitude for the care that carries individuals and families through every stage of a palliative journey.

Our club proudly donated \$500 in recognition of Wellstrings Harp Ensemble
