

## ACT Moose Jaw Club #1027

### February 2026 Newsletter

Thank you everyone for reading our newsletters to keep up on what our club is up to. We all enjoy in-person meetings but if anyone expresses interest, I can bring my laptop to the meetings and set up a zoom connection for each of them. Just let me know either by email or by cell@306-690-8300. (I need very little notice).

The groundhog said early spring but hard to tell what he thinks is early as the snow alternates with melting making the sidewalks treacherous.

We have decided to direct our donation to the MJ Health Foundation to purchase a much-needed monitoring meter for the dialysis machines at the Wigmore Hospital. The balance of our usual donation will just be donated to the general MJ Health Foundation. We have members with kidney disease and so it is close to our hearts.

Any of our members have friends or relatives with children aged 8-18. We are once again arranging Safety posters to be voted on at our local meeting in May and then the 1<sup>st</sup> Place winners will be also submitted at our Regional in Red Deer later that month. If you want to participate, please message Heather Carle to get the details. Right now, Riverview high school and Coteau Hills Elementary are participating.

Furthermore, If any of our members have friends, grandkids, neighbors with children 's activities reach out and we can see if we can contribute. Also, any members of ACT that are doing volunteer work, remember you are always an ACT member, so any volunteer hours can be used towards your local council's total that is sent to the regional executive member assigned. They in turn put together a report of the Region's volunteer hours, the number of volunteers, and the monetary donation if given.

Nothing new is happening right now, but we are always looking for a project and new members if anyone has heard of anything or knows of someone.

If you have an interesting project or know someone in need of help, please shoot me an email at [actmoosejaw@hotmail.com](mailto:actmoosejaw@hotmail.com) or call me at 3066908300. I hope to see more faces at the meetings to come.

**ATTENTION:** NEXT Meeting, **March 11, 2026@6:30 pm**, at Timothy Eaton's in the card room, supper before in the meeting room at 6:15pm.
