

ACT Moose Jaw Club #1027

January 2026 Newsletter

Thank you everyone for reading our newsletters to keep up on what our club is up to. We all enjoy in-person meetings but if anyone expresses interest, I can bring my laptop to the meetings and set up a zoom connection for each of them. Just let me know either by email or by cell@306-690-8300. (I need very little notice).

Due to freezing temperatures, we cancelled our December meeting so we could all hibernate inside where it was warm. The winter season has been freezing us with these horrible cold temps, then rain and more freezing. Has taken an adventurous spirit to get anywhere after the Christmas holiday. Be careful out there and drive carefully.

We have decided to add/incorporate to the Moose Jaw Wigmore Hospital Foundation donation. We have members with kidney disease and so it is close to our hearts. Our annual donation of about \$7000 will now have directed portions of it to palliative care and the dialysis/ambulatory care unit. We will discuss more next meeting about how we are to split the donation.

If any of our members have friends, grandkids, neighbors with children 's activities reach out and we can see if we can contribute. Also, any members of ACT that are doing volunteer work, remember you are always an ACT member, so any volunteer hours can be used towards your local council's total that is sent to the regional executive member assigned. They in turn put together a report of the Region's volunteer hours, the number of volunteers, and the monetary donation if given.

Nothing new is happening right now, but we are always looking for a project and new members if anyone has heard of anything or knows of someone.

If you have an interesting project or know someone in need of help, please shoot me an email at actmoosejaw@hotmail.com or call me at 3066908300. I hope to see more faces at the meetings to come.

ATTENTION: NEXT Meeting, **Feb 11, 2026@6:30 pm**, at Timothy Eaton's in the card room, supper before at Jade Gardens@5:45pm
