President's Message

Connie Zwarich

Summer is coming to an end. It has been quite a nice summer all in all. I hope everyone had a chance to get out and enjoy. We will be back to our regular schedule in September. I have listed the meeting dates and our activities up to December. Please mark your calendars and plan to attend. In December we will have the new year's activities listed. I think this will give everyone a chance to plan ahead. September, October and December meetings will be at the Daventry. November will be at the Minnow Lake Legion.

For January, February and April we are asking for input as to what you would like to see presented or do. If you have any suggestions, please send them to anyone on the executive.

Our 25th Annual Golf Tournament went very well. We lost 4 teams at the end but still had a great day. The weather was fantastic. Forest Ridge put on another fantastic chicken and ribs buffet.

We may have lost revenue from the teams that dropped out but the Silent Auction, Putting Contest, Sale of Mulligans and 50/50 did very well. Joe Drago did a fine job selling those raffle tickets. It is hard to say no to Joe.

Our Ham sales are starting up. It is not too soon to start checking with your friends and family and past customers. Remember this is one of our largest fundraising projects. Included in this newsletter is a ham order form and a word from our Hams committee.

We continue to have our Bingos every other month. If you do not think the volunteer role is for you, you can always come out to play. Either way we win.

We are looking forward to seeing many of you in the coming months.

Don's golf team - Michelle Spence, Carole Chamberlain, Randy McCann and Don MacDonnel

BrokerLink team - Carter Lafreneire, Spencer Pos, Miguel Chapple, Hayasree Jayakumar
Volunteers - Jasmine Bellerose, Julia Riddell

Kickoff to the 2026 HAM SALES PROGRAM

Most of our Members are well aware of the significant impact the sale of our wonderful hams provides each year to the communities where we live. We are pleased to tell you that our supplier Vitto Fine Foods in Sudbury has been able to offer us the exact same price this year as last, and we will be able to offer them at $30.00 again this year and that is a great price for a great product.

I am also thrilled to announce that our good friend Joe Wilcox has come out of retirement and will co-chair this year with me, so to celebrate Joe's return…let's make this another banner year. If you ask your customers to increase their order by at least 10%. We will have even more to donate to those in need.

Speaking of donations. Our friends at the Inner City Home Food Bank will provide TAX RECEIPTS to anyone purchasing and donating five or more Hams to the Inner City Food Bank. You just make your sale, obtain the payment, advise me of the name, address, postal code, phone number and number of Hams … I will arrange the delivery for you to Inner City and obtain the Tax Receipt.

Point of sale brochures, order forms, and Council brochures will be available shortly

We are counting on your support; the funds we raise are more important right now than ever before.

Adopt A Road

Sudbury A.C.T. Council 1051 will again conduct our spring Adopt A Road Day on Saturday 12 September. We meet at 0900hrs at the SW corner of Power St and HWY 17W in Copper Cliff. That is the entrance to South Mine and Vale, engineering building. Garbage bags, work gloves and safety vests are supplied. You should wear clothing suitable for physical work. The work consists of picking up trash in the ditches between Balsam St. and Fielding Rd.

The work takes. about 11/2 to 2 hrs. Donuts are supplied prior to start time and water is also available.

Following the work we all will travel to my home at 557 ASH ST. for burgers and beer.

This is a fun project that we do twice a year.
If you are able to help out, please let me know by calling me at the number below, so I can provide the right amount of food and supplies.

We are always looking for new volunteers. Sessions are only 2 hours. We no longer call back winning numbers, we just smile, tidy up and spread A.C.T. goodwill. You must complete the online training first. It only takes about an hour to complete.

Can't volunteer then come out and play! Either way we benefit.

Humour

A man is playing a handheld game in a crowded doctor's office when an unruly child keeps trying to snatch it. The child's mother refuses to intervene, claiming the game is "taunting" her kid. Suddenly, the child kicks the man in the shin. An older gentleman sitting nearby leans over, looks the kid dead in the eye, and says in a booming voice: "When I was naughty in this waiting room, I tried to take things that weren't mine. You know what the doctor does to naughty boys?" Without missing a beat, the old man pops his own glass eye right out of his socket and holds it up. The kid screams and sprints back to his mother, who yells that they are both monsters just as the doctor walks out and sighs, "Oh, Patrick... not again".

A man was seeing his doctor, and his doctor checked him over before commenting. "It looks like you get a fair bit of exercise.

The man replied," Oh yeah, just the other day I walked five miles over rugged terrain, climbing over rocks and trees. I waded along the edges of a lake pushing myself through tall thistles and slide down a sandy slope getting sand in my eyes.

The doctor was quite impressed. "Well, you are certainly a dedicated outdoors enthusiast."

Ther man replied "Not really doctor, I am just a really bad golfer."
